

## **FREE** access to Ancestry.com through the Pennsylvania State Archives

1. Go to <https://www.phmc.pa.gov/Archives/Research-Online/Pages/Ancestry-PA.aspx>
2. Move down the page about 5 inches to the tab Ancestry.com with a symbol of a tree and click on it.
3. Enter your zip code in the box near the bottom center of the page.
4. Enter your search parameters (name, birth year and location, etc.) on the initial search page. The results will display entries found in the Pennsylvania State Archives records.
5. Click on any of the documents in the list of results, and you will be prompted to "Create a Free Account."
6. Enter your name and email address. You may opt out of receiving additional communication (such as email promotions) by checking the appropriate box. Ancestry.com will send you a user name and password.

7. View any records available through the Ancestry.com Pennsylvania page at any time by signing in to your free account.
8. Remember, you will have free access only to the records available through Ancestry.com Pennsylvania, not to the entire Ancestry database.
9. This free account is only available to Pennsylvania citizens.
